**MWV Specialty Chemicals Partners with
Sunland Logistics Solutions to Operate 300,000 square foot Chemical
Distribution Facility in S.C.**

Goose Creek, SC – MWV Specialty Chemicals, a division of MeadWestvaco Corporation, and Sunland Logistics Solutions are partnering in a new chemical distribution operation that is on schedule to launch mid April. Located just 15 miles away from the S.C. Port, the operation on Eagle Road in Goose Creek, SC entails a dedicated chemical distribution center with a daily throughput of 1 million pounds of product with both domestic and international shipments. Sunland, a third party logistics provider, and MWV, a global supplier of premium specialty chemicals products, are currently finalizing major renovations up-fitting the 300,000 square foot facility to include 16,000 square feet of flammable storage and 5,000 square feet of corrosive storage. Sunland is in its final stages of hiring a team of 20 associates in the Charleston area that will be led by Site Manager, Jeff Carter.

When asked to describe the partnership with Sunland, Jerry McDowell, Assistant Plant Manager for MWV Specialty Chemical shares, *"It is truly a relationship of two companies that share a common, yet special commitment of getting the job done safely while getting the product out to our many valued customers. I know they get it - we trust Sunland!"*

About Sunland Logistics Solutions A third party logistics company with over thirty years experience based in the Southeast, Sunland Logistics Solutions, Inc. serves the needs of companies primarily in the chemical, automotive, retail/ e-commerce, and paper industries; and specializes in providing warehousing and value added services.
