## COVID-19 Updates

April 29, 2020 | [www.fisherphillips.com](http://www.fisherphillips.com)

Good Afternoon,

I hope you and your family are well. As all of us continue to navigate through the many challenges presented by the COVID-19 virus, I wanted to make sure that you were aware of a few helpful resources our firm has implemented during this time.

Fisher Phillips has an external portal on our website with daily updates on how COVID-19 is affecting the workplace. Our external Data Bank has several helpful forms that may answer questions you have regarding disclosures, manager talking points, model company announcements re: a positive test, and an overall outline of what employees should know about the pandemic and their employment. The link to our Data Bank can be found [here](#). Additionally, our Comprehensive FAQ portal can be found [here](#).

In addition to our COVID-19 attorney taskforce, we have assembled two new taskforce operations within the firm. The first is an Essential Business Team, providing state by state guidance as well as forms and templates for companies that have "shelter-in-place" orders. The Essential Business Taskforce information can be found [here](#). The SBA Loan Task Force to provide advice to businesses seeking guidance and information related to the CARES Act loan process, how to qualify for loan forgiveness, how to measure employee headcount, conditions on the loan, etc.

Lastly, below are some the most recent legal alerts our firm has put together on a few key issues surrounding the effects of COVID-19.

If you have questions about any of this, feel free to give me a call or send an email. Also, if you are getting updates from one of my colleagues and want me to keep your email box clean, just let me know.

Take care

Steve
